Hello Jerry,

## We are selling homes like yours at more than 110% of listing price!

We just repeated that success by selling another home in Fremont for 110.43% above listed price!

Enclosed is my newsletter for July, with details of market activity in Fremont on page 2. It is a sellers market! Since interest rates are low, it is attracting many buyers to this red-hot market. If you have a home, there is no better time than now to sell and realize capital gains.

On page 3, discover how to beat out other buyers to hot new listings. Ensure that you gain access to all homes in the market, even those that are NOT available online.

Whether you're buying or selling a home, we're sure that you have lots of questions. We invite your questions and explain how to direct them to us, so they can be answered in one of the upcoming issues of Market Watch. This month we've selected another popular question that many homebuyers ask, "Don't Pay Another Cent in Rent to Your Landlord Before You Read this FREE Special Report".

Page 4 has a list of useful reports that you can request, for FREE.

Don't forget, you can call my office any time at [925-452-7483](tel:925-452-7483) for a FREE Quick Over-the-Phone Home Evaluation. As its name implies, this is a NO cost, NO obligation way of learning what your home can sell for in today's market. Subscribe to instant updates on offers by sending "START JERRY" to 925-452-7483 on WhatsApp.

I look forward to hearing from you.

Sincerely,

# Which of These Costly Homeseller Mistakes Will You Make When You Sell Your Fremont Home?

Fremont - A new report has just been released which reveals 7 costly mistakes that most homeowners make when selling their home, and a 9 Step System that can help you sell your home fast and for the most amount of money.

This industry report shows clearly how the traditional ways of selling homes have become increasingly less and less effective in today's market. The fact of the matter is that fully three quarters of homesellers don't get what they want for their homes and become disillusioned and - worse - financially disadvantaged when they put their homes on the market.

As this report uncovers, most homesellers make 7 deadly mistakes that cost them literally thousands of dollars. The good news is that each and every one of these mistakes is entirely preventable. In answer to this issue, industry insiders have prepared a free special report entitled "The 9 Step System to Get Your Home Sold Fast and For Top Dollar".

To hear a brief recorded message about how to order your FREE copy of this report call toll-free 844-311-5109 and enter ID# 5000. You can call any time, 24 hours a day, 7 days a week.
